A notice is hereby given that a Community Outreach Meeting for a proposed Marijuana Cultivator is scheduled for October 15th at 5:30pm in person at the Town House at 32 Common Street in Hardwick. The public will be able to ask questions. The proposed establishment will be located at 664 North Road, Hardwick MA 01037.

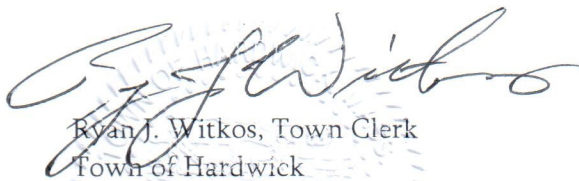

This proposal by Budding Botanicals, LLC, to be licensed as a marijuana cultivator, would permit Budding Botanicals to cultivate, process, sell and transport marijuana product to other marijuana establishments in Massachusetts, however, it does NOT permit the operator to provide product directly to consumers.

This meeting is a repeat of our earlier Community Outreach Meeting that took place on April 12th on Zoom. We must conduct this meeting again, as Zoom meetings must be recorded and unfortunately, we do not have a recording of our first meeting. All of the information provided at this new Community Outreach Meeting will be the same as that provided on April 12th.

Best Regards.

Meira Blum & Carolyn Blum
