

## Resident Information Session

### Prospect- Broad Street Sewer Improvement Project

**Thursday, April 13, 2017**

**5:00 PM**

**Hardwick Municipal Office Building  
307 Main Street**

We welcome you to meet with the project engineer and representatives from the Pioneer Valley Planning Commission to hear about plans for Prospect- Broad Street Sewer Improvement Project. This will be the final public meeting prior to the project going out to bid.

Construction will soon be underway for Prospect-Broad Street Sewer Improvement Project. Advertising will occur in late April 2017 and work is tentatively scheduled to start by late June or July 2017. The project will result in the installation of new sanitary sewer system lines and reconstruction of road surface. The project is being funded through the FY 2016 Massachusetts Department of Housing and Community Development Block grant program (CDBG) with the assistance of the Pioneer Valley Planning Commission and Lenard Engineering.

Please call or email John O'Leary at the PVPC with any questions, 413-781-6045 or [joleary@pvpc.org](mailto:joleary@pvpc.org)
