

Town Administrator Report, April 11, 2022

- Confidential Mediation with USDA is ongoing.
- Town Elections TODAY!
- We have officially joined the opioid lawsuit and should be getting funds for law enforcement to combat addiction in the community
- IT bid is out. It has been requested by 5 firms thus far.
- Vadar has begun collector software migration.
- Town audit is ongoing. Staff continues to assist with documentation. Hoping for it to be complete by the end of April
- You Tube for viewing meetings at home has been created. Supplies have been delayed. However, meetings are live. Please check the website for URL
- Municipal Vulnerability Preparedness charettes were held at Town Hall March 24 and 31st from 5-8PM. It was very well attended. Lots of great topics. CMRPC is putting all of the information together and will have public meetings when completed.
- Level 1 Budgets should be completed soon for your review. Meeting with Finance Committee 4/25/22
- I will be away on vacation next week. Happy Easter!

Thank you,

Nicole
