

Town Administrator Report, September 27, 2021

- Had USDA administrative review. Waiting for a response. Should hear back by October 8.
- Ongoing communication with Dillon Sussman from Dodson & Flinker regarding Gilbertville revitalization. On September 14 we met with Subject Matter Expert (SME) requests. There were three: Branding/marketing, buildings/site work and way finding. Each SME will be submitting plans.
- New Braintree Road Improvement Project has begun. Construction schedule attached. Staging area is behind former school (white building) on Main Street. All dates are weather pending
- Closing out Green Community Grant this week to be in the que to apply for another. Attached letter for your signature.
- Resurfacing/related work for Rt 32 from MassDOT; work commenced 9-20-2021. Agreement attached.
- Closing out MEMA/FEMA reimbursement this week
- Support staff discussion
- Fall Town Meeting discussion
