DOG LICENSING INFORMATION

Spayed and neutered dogs are \$8.00 each; those that are not are \$15.00 each. After April first add a \$10.00 late fee.

Anyone with more than 4 dogs at their home needs a kennel license, an inspection from the Dog Officer, and if necessary, a Special Permit from the Planning Board.

All dogs that are to be licensed must have a valid rabies certificate (or waiver from their veterinarian) on file.

Residents may send their payment when returning their census form, along with a check made payable to the Town of Hardwick along with the proper amount due. Original rabies vaccination certificates will be returned with the license(s). If invalid rabies, or incorrect payment is received, payment will be returned along with a notification as to what is necessary to register the dog(s).
