

The Quaboag Valley CDC's Hardwick Senior Outreach Program has chore providers ready to assist Hardwick's seniors during this time when seniors are being advised to stay out of heavily-populated public places. Our chore providers can shop at the grocery store, pick up prescriptions, go to the post office, etc.

There is no charge for this service.

Eligibility for the program is based on annual household income.

Some very simple forms need to be filled out in order to determine eligibility.

All of our chore providers are paid, CORI checked local people.

For more information, please call 413-967-3001
