presented by: Emily Bancroft

Public is invited and welcome to stay for our annual meeting after the presentation.

We are always looking for ideas for future events/presentations.
Do You.... have an idea for an event? Would you like to present your collection or artistic/creative talent at one of our future events?
Please let us know!

*Also...please consider donating items of historical value and interest to the Historical Museum for our future generations to view, learn and enjoy.
